Bando di concorso per contributi a favore degli
studenti stranieri dell'Alta Scuola Politecnica

CALL FOR APPLICATION
"Supplementary" Scholarships
addressed to ASP 10th Cycle foreign students
Politecnico di Torino - A.Y. 2015/16

1. Description of the scholarship

For the academic year 2015/16 a call for application for a *supplementary scholarship for ASP 10th cycle international students of Politecnico di Torino (Bachelor graduated students from non-Italian Universities)* has been launched.

The amount of each scholarship will be of 1.500 € gross and it will be assigned only after the fulfilment of all the requirements mentioned hereafter.

2. Requirements to apply

To apply for the contribution of 1.500 € gross, ASP international students must:

- 1) have completed the second year of the ASP programme during the academic year 2014/15;
- 2) have attended all ASP Schools (or justified absences as foreseen by ASP Rules).

3. How to apply

International students will have to send their request by e-mail to the ASP Office (asp@polito.it) no later than **December 15th, 2015**.

4. Assignment of the scholarship

In order to assign the scholarship the ASP Board will verify that the applicants have:

- a) attended the ASP Final Examination in December 2015 presenting the ASP multidisciplinary project with a positive mark. Participation via remote connection will not be considered eligible for the supplementary scholarship;
- b) not incurred in any kind of disciplinary measure both by the Politecnico di Torino and the ASP Programme.

The scholarship will be given to the students after their participation to the ASP Final Examination in December 2015 as stated in paragraph 4a. According to the Call for Application (10th cycle) academic year 2013/14 the time limit for graduation is set on October 31st, 2015.

Art. 5 - Processing Personal Data

Further to and in accordance with Law n. 196 of June 30th, 2003, the applicants' personal data are collected by the *Area Gestione Didattica* and exclusively used for selection and enrolment purposes. All anonymous data may be used in statistical elaboration processes.
