

**POLITECNICO**  
MILANO 1863

REP. N. 4929/2020

PROT. N.104879 del 15/07/2020

### **THE DIRECTOR**

ACCORDING to the Agreement between Politecnico di Milano and Politecnico di Torino for the Alta Scuola Politecnica (ASP), the General Regulations of the ASP and to the availability of funds,

#### **decrees that**

the following **Alta Scuola Politecnica Call for Applications (17<sup>th</sup> Cycle) for Italian and foreign citizens (EU and non EU)** for academic year 2020/21 has been launched.

#### **ASP at a glance**

Born as a joint venture between Politecnico di Milano (PoliMi) and Politecnico di Torino (PoliTo), the Alta Scuola Politecnica is an advanced programme for Engineers, Architects and Designers, which runs in parallel with the Laurea Magistrale courses of PoliTo and PoliMi.

The educational programme of ASP consists of two elements: broad-based Courses and Multidisciplinary Projects, focused on real-world problems and proposed by PoliMi and PoliTo professors in collaboration with companies, public administrations and research institutions.

The official language of the ASP is English.

Each year, ASP enrolls 150 students, 90 at PoliMi and 60 at PoliTo. International students usually represent 25% of the ASP class.

#### **Who can join**

Selection procedures will be carried out separately at PoliMi and PoliTo.

Therefore candidates who are interested to apply to the ASP programme must refer to the selection process at the Politecnico in which they intend to enrol.

#### **Admission Requirements**

- a) A Laurea Degree, a Bachelor Degree or an equivalent academic qualification that grants access to a Laurea Magistrale course at PoliMi, obtained before September 30<sup>th</sup>, 2020. Students who graduate from Italian universities must have obtained the Laurea degree in a total of three regular academic years;
- b) Average grade in 1<sup>st</sup> cycle exams:

- for students with a title awarded by Italian universities: a minimum weighted average of 27/30 (exams grades multiplied by course credits);
  - for students with a title awarded by foreign Universities, please refer to PoliMI requirements for international students published on the Polinternational website, <http://www.polinternational.polimi.it/how-to-apply/laurea-magistrale/who-can-apply>
- c) Proficiency in English:
- for Italian students, please refer to the requirements for admission to the Lauree Magistrali of the Politecnico di Milano.
  - for international students, please refer to the minimum requirements published on the Polinternational website, <http://www.polinternational.polimi.it/how-to-apply/laurea-magistrale/who-can-apply>

### **Application requirements and deadline**

Candidates must apply by **October 12<sup>th</sup> 2020** through the PoliMi dedicated links:

- for Italian students: [www.asp-poli.it/valutazione](http://www.asp-poli.it/valutazione);
  - for international students that have already been admitted to a PoliMI Laurea Magistrale course (a.y. 2020-21): [www.asp-poli.it/preapplication](http://www.asp-poli.it/preapplication)
- a) ASP applications will not be considered if an application to the Laurea Magistrale programme has not been submitted within the deadlines set by the Politecnico di Milano.
- b) The ASP does not assume any responsibility whatsoever for failure or delay in communications caused by inaccuracies due to the candidates.
- c) The ASP reserves the right to verify the validity of information provided and to request further information, if necessary.

### **Evaluation Process and List of Admitted Students**

The admission process to the ASP is the following:

1. An Evaluation Committee for the selection is appointed by the Director of the Area Didattica (ASED).
2. Candidates invited for an interview will be informed by e-mail about the time and place of the interview. Candidates must show up at the communicated date, time and place of the interview. Failure in showing up will lead to their exclusion from the selection. The interview may also consist in a phone call or a video internet interview made to the candidate by the Evaluation Committee.
3. All communications will be sent to the e-mail address indicated in the application.
4. The Evaluation Committee will consider the following criteria to evaluate the applicants:
  - academic performance in the first cycle of studies, in particular the marks awarded in the examinations, the final mark and the time required to complete the first cycle of studies.
  - motivations to apply for ASP;
  - proficiency in the English language. The required knowledge of the English language to access the LM courses is the same for both Italian students and International ones.
  - given the ASP programme leverages on the multidisciplinary of its class, the Evaluation Committee will also look at the composition of the class and guarantee a balanced presence of students with different backgrounds.
  - Candidates will be evaluated on the basis of the final average mark of the bachelor path (for Italian students) and on the basis of the documents presented for admission to the Laurea Magistrale programme (for international students). Moreover, they will be

evaluated on the basis of the motivation letter enclosed with the application form and, if necessary, on the basis of an interview

### **Selected Candidates**

1. The outcome of the selection will be published on the ASP website and it will be communicated only to the admitted candidates by e-mail by **December 14<sup>th</sup>, 2020**
2. Admission to the ASP is effective only for students who have been admitted and have enrolled for the academic year 2020-21 in one of the Laurea Magistrale programmes of Politecnico di Milano.
3. In the case that an admitted candidate declines the place offered, the ASP reserves the right to offer the place to the next candidate in the list.

### **Student Benefits**

1. The selected candidates, upon admission to the ASP, will benefit from a tuition fee waiver due to the Politecnico di Milano for the enrolment in the Laurea Magistrale course, the fee waiver does not include the regional tax and administrative fees. .
2. The selected candidates will also benefit from a tuition fee waiver due to the ASP for the two years of the ASP study programme;
3. The selected candidates will benefit from financial support for their project activities, according to the ASP educational programme and to the annual financial availability.
4. No later than October 31st of the first year, the ASP Board will reach a decision on the admission to the second year. Each student must have obtained at least 40 credits valid for the Laurea Magistrale course, with average marks of at least 27/30, weighted on the course credits. He/she must have regularly attended the ASP courses of the first year and have handed in three papers and obtained a positive mark. Students that do not satisfy the required requirements will be excluded from the ASP and consequently all benefits will be cancelled and he/she must pay the fees of the Laurea Magistrale.
